**MIKE NAVARRE
BOROUGH MAYOR**

MEMORANDUM

TO: Blaine Gilman, Assembly President
Members, Kenai Peninsula Borough Assembly

FROM: Mike Navarre, Mayor *P.O. for M.N.*

DATE: January 22, 2016

SUBJECT: Resolution 2016-008, A Resolution Establishing Corrected Kenai Peninsula Borough State Capital Project Priorities For The Year 2016 (Mayor)

The school district capital project priorities for the year 2016 as approved by the assembly on January 19, 2016, in resolution 2016-001 do not accurately represent their capital priorities. The document entitled FY 2016 Six Year Plan replaces the former page 11 of the previously approved Kenai Peninsula Borough's State Capital Projects Priority for the year 2016. Rather than attempting to simply replace a portion of the approved state capital improvement priority project booklet the administration proposes that the assembly simply approve the entire booklet with the corrected page accurately representing the school district's priorities. This should avoid confusion as the document circulates throughout the state legislature.

Your approval of this resolution, which would repeal resolution 2016-001 and approve the entire corrected capital priority projects book for the year 2016, would be appreciated.
