Loan Number: 67568

MARCH 26, 2012

(Date)

HOMER

(City)

ALASKA

(State)

35047 Lowbush Street, Homer, Alaska 99603

(Property Address)

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 183,100.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is Alaska USA Mortgage Company, LLC. I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 3.250 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS**(A) Time and Place of Payments**

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on MAY 1,

2012. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on APRIL 1, 2027

I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at P.O. Box 196613, Anchorage, Alaska 99519-6613

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 1,286.59

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit;

and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep

the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

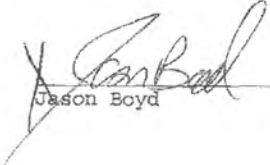

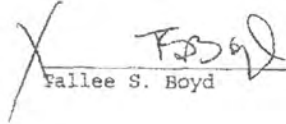

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

11. NOTICE OF OTHER REMEDIES

To the extent set forth in this Note and any Rider attached hereto (a) the mortgagor or trustor ("Borrower") is personally obligated and fully liable for all amounts due under this Note, and (b) the holder hereof has the right to sue on this Note and obtain a personal judgment against the Borrower for satisfaction of all amounts due under this Note either before or after a judicial foreclosure, under Alaska Statutes §§ 09.45.170 through 09.45.220, of the deed of trust which secured this Note.

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Homer Electric Association, Inc. (HEA) filed tariff revision TA391-32, to add the new Small Facility Power Purchase Rate (SFPPR) to its tariff in compliance with a recently-enacted Commission regulation (3 AAC 50.790(d)). The SFPPR will replace the existing Non-Firm Power Purchase Rate (NFPFR).

3 AAC 50.790(d) states that by April 1, 2016, a regulated electric utility must submit a proposed tariff filing that includes a standard rate for purchase of energy from qualifying facilities (QF) with a design capacity of 100 kW or less. 3 AAC 50.770(i) states that the SFPPR must be expressed in cents-per-kilowatt-hour unless otherwise ordered by the Commission. The rate must be determined from the sum of fuel costs and variable operations and maintenance expenses and the energy portion of purchased power expense, using the same period employed to project costs and sales in the utility's adjustment clause (in this case a Cost of Power Adjustment (COPA)) methodology, divided by the number of kilowatt-hours sold for the same time period.

With TA391-32, HEA proposes to purchase power from QFs at a rate equal to the avoided cost of fuel, variable operations and maintenance, and purchased power. HEA is using the variable operation and maintenance expenses based on the Cost of Service Study filed in Docket No. U-15-141, based on a 2014 test year, which is currently pending before the Commission. The factors used to calculate HEA's SFPPR vary depending on whether HEA is operating in normal or island conditions. Under normal conditions, HEA's avoided costs will be derived from the fuel and variable expenses associated with Alaska Electric & Energy Cooperative, Inc.'s thermal generation or the cost of purchased power from other interconnected electric utilities. Under island conditions, HEA's avoided costs are derived from the cost of Bradley Lake hydroelectric power.

To calculate the SFPPR, actual data is utilized from the historical three-month period used to project costs and sales in HEA's COPA methodology, and a weighted-average methodology is used to reflect the time HEA spent under the two operating conditions during the historical period. To calculate the component of the SFPPR associated with each condition, the quotient of the variable expenses and the kWh generated or purchased associated with each condition is multiplied by the percent of hours operating under each condition relative to the total number of hours in the period. The results of these calculations for each period are then summed and divided by the quotient of the kWh sold to the kWh generated or purchased during the historical period, to arrive at the SFPPR.

HEA's initial proposed SFPPR is \$0.07361, an increase from the existing NFPFR of \$0.07005.

With TA391-32, HEA has also requested a waiver of the 45-day statutory notice period for future SFPPR filings to allow the filings to take effect with HEA's COPA.

This notice does not contain all requested revisions and the Commission may approve a rate or classification that varies from those proposed. You may obtain more information about this filing by contacting J.D. Draves, Regulatory Affairs and Rates Manager, at HEA at 3077 Lake Street, Homer, AK 99603; phone: (907) 235-3325. The complete filing is also available for inspection at the Commission's office at 701 West Eighth Avenue, Suite 300, Anchorage, AK 99501; phone: (907) 276-6222, or may be viewed on the Commission's website at <http://rca.alaska.gov> by typing "TA391-32" in the Find a Matter search box.

To comment on this filing, please file your comments by 5:00 p.m., May 9, 2016, at either the Commission address given above or at its website:

<https://rca.alaska.gov/RCWeb/WhatsNew/PublicNoticesComments.aspx>

Please reference TA391-32 and include a statement that you have filed a copy of the comments with HEA at its address given above. Individuals or groups of people with disabilities, who require special accommodations, auxiliary aids or service, or alternative communication formats, please contact Joyce McGowan at (907) 276-6222, toll-free at 1-800-390-2782, or TTY (907) 276-4533 or send a request via electronic mail to rca-mail@alaska.gov by May 2, 2016.
