RE: Resolution 2016-043 A Resolution Establishing a Requirement that Grantees of Kenai Peninsula Borough Funds to be Used for Tourism Promotion or Public Transportation Purposes Include a Borough Representative on their Board of Directors (Bagley)

The Kenai Peninsula Economic Development District, Inc. (KPEDD) currently has designated seats on its board of directors for borough representatives. This has helped to improve the borough's grant oversight of borough funds and the borough's relationship with the KPEDD. I think the borough should similarly require that recipients of borough grant funds for public transportation systems and tourism promotion programs designate a seat on their boards for a Kenai Peninsula Borough representative. This would improve the assembly's oversight of their use of borough funds and provide an opportunity for increased communications with those grant recipients. Your approval of this resolution would be appreciated.
