Subject: DEC Food Establishment Permit Not Required

Dear Operator Name,

Thank you for your recent application for a permit from the Department of Environmental Conservation's Food Safety and Sanitation program. This letter is to inform you that the marijuana establishment you have described in your application does not require a permit under the Alaska Food Code (18 AAC 31) since your plan is to sell only prepackaged, non-potentially hazard food (18 AAC 31.012(c)(1)).

Non-potentially hazardous foods are foods that do not support the growth of dangerous bacteria because of their water activity, pH, or a combination of the two. A good method to determine whether a food is non-potentially hazardous is whether it requires refrigeration to keep it safe or preserve it. If it does not require refrigeration, it is most likely non-potentially hazardous. If you are unsure about the safety of a product and whether it requires temperature control be sure to contact the Food Safety and Sanitation program for more information.

Please be aware that if you change the type of food that you sell at your establishment to include foods that are potentially hazardous, you will be required to submit a plan of your operations and apply for a food establishment permit.

Sincerely,

A handwritten signature in black ink that reads "Melanie Hollon".

returned to Subtenant, this Sublease will have no further force, and Sublandlord will have no further liability to Subtenant because of this delay or cancellation under this Sublease. If Sublandlord permits Subtenant to take Possession prior to the Commencement Date, the early Possession will be subject to the provisions of this Sublease, including, without limitation, the payment of rent.

Upon qualification to receive Additional Rental Charges, it will be paid to the Sublandlord by the Subtenant on or before the fifth day of the following month i.e. if gross sales for the month of January exceed \$12,500, the Additional Rental Charges (calculated on the above formula) will be paid on or before the fifth day of February. When calculating additional rental charges, sales taxes will not be included in gross revenues. Marijuana taxes will be allowed to be deducted from gross revenues when marijuana is produced at this premise. Any late payments of Additional Rental Charges will nullify this Sublease and grant the Sublandlord right to repossess the Premises.

Failure to pay rent on the fifth of every month by the Subtenant shall deem a material breach of this Sublease, and shall entitle Sublandlord or Master Landlord to repossess the premises without any delays.

Additional Rental Charges will be deposited in the Sublandlord's bank account or any other method requested by Sublandlord.

Subtenant is also required, as a material term of this Sublease, to lease equipment from Sublandlord. Subtenant must execute a Lease of Equipment Agreement and comply with its terms. A breach of the Lease of Equipment Agreement is deemed by the Subtenant and Sublandlord to be a material breach of this Sublease and shall allow Sublandlord to repossess the premises from subtenant.

Section 5. Security Deposit

Subtenant will deposit with Sublandlord on execution of this Sublease the sum of **\$2,500.00** as security for Subtenant's faithful performance of Subtenant's obligations under this Sublease ("Security Deposit"). If Subtenant fails to pay Rent, as per Section 4 above, or other charges when due under this Sublease, or fails to perform any obligations under this Sublease, Sublandlord will use any or all portions of the Security Deposit for the payment of any Rent or other amount then due and/or unpaid, for the payment of any other sum for which Sublandlord may become obligated because of Subtenant's default or breach, or for any loss sustained by Sublandlord as a result of Subtenant's default or breach.

If Sublandlord uses any portion of the Security Deposit, Subtenant will, within ten (10) days restore the Security Deposit to the full amount originally deposited. Subtenant's failure to do so will constitute a default under this Sublease. Sublandlord will not be required to keep the Security Deposit separate from its general accounts, and will have no obligation or liability for payment of interest on the Security Deposit. If Sublandlord assigns its interest in this Sublease, Sublandlord will deliver to its assignee as much of the Security Deposit as Sublandlord then holds.

Within ten (10) days after the Term has expired or Subtenant has vacated the Premises or any final adjustment pursuant to Section 4 of this Sublease has been made, whichever occurs last, and provided that Subtenant is not then in default under this Sublease, the Security Deposit, or as much as remains that has not been applied by Sublandlord, will be returned to Subtenant or to the last assignee, if any, of Subtenant's interest under this Sublease.

Section 6. Late Charge and Interest

The late payment of any Rent will cause Sublandlord to incur additional costs, including the cost to maintain in full force the Master Lease, administration and collection costs, and processing and accounting expenses. If Master Landlord has not received any installment of Rent within

five (5) days after that amount is due, Subtenant will pay five percent (5%) of the delinquent amount directly to the Master Landlord, which is agreed to represent a reasonable estimate of the cost incurred by Sublandlord.

Section 7. Use of Premises

The Premises will be used and occupied as a marijuana retail store as well as for a cultivation and storage facility and any other marijuana related or incidental uses thereto to the extent the same are legally permissible, comply with applicable laws and zoning, and are otherwise consistent with the character of the Master Lease, as a first-class retail building project, and for no other use or purpose.

No harmful or environmentally toxic products shall be placed in, on or around the Premises. Harmful or environmentally toxic products include but are not limited to those that cause damage to the septic system. If Subtenant dumps any harmful fertilizers or other environmentally toxic products, it will be liable for the cost to repair the cleanup cost.

As stated in the Master Lease, Subtenant is responsible and shall comply with all local, state, and federal laws. Any and all damages caused by Subtenant through the use of the Premises will be Subtenant's sole responsibility to pay for and remedy; Subtenant shall indemnify and hold Sublandlord and Master Landlord harmless from and against liabilities, penalties, losses, damages, costs and reasonable expenses (including reasonable attorneys' fees), demands, causes of action, claims or judgments (collectively, "Claims") arising out of personal injury, death or property damage occurring in, on, or about the Sublease Premises or any part thereof or occasioned by any act or omission of Subtenant, its officers, employees, agents, licensees, contractors or invitees. The foregoing indemnity of Sublandlord by Subtenant shall also extend to Claims made by Master Landlord against Sublandlord as a result of any breach of this Sublease or the Master Lease by Subtenant.

Section 8. Assignment and Subletting

Subtenant will not assign this Sublease or further sublet all or any part of the Premises without the prior written consent of both Sublandlord and Master Landlord. Such consent shall not be unreasonably withheld, provided that if the Master Landlord provides consent to any assignment or further sublet of the Premises, then the Sublandlord shall also provide such consent.

Section 9. Other Provisions of Sublease

All applicable terms and conditions of the Master Lease are incorporated into and made a part of this Sublease (if not in conflict with this Sublease) as if Sublandlord were the landlord, Subtenant the tenant, and the Premises the Master Premises. Subtenant assumes and agrees to perform the tenant's obligations under the Master Lease during the Term to the extent that these obligations are applicable to the Premises. Sublandlord will exercise due diligence in attempting to cause Master Landlord to perform its obligations under the Master Lease for the benefit of Subtenant. If the Master Lease terminates, at the option of Master Landlord, this Sublease will terminate and the parties will be relieved of any further liability or obligation under this Sublease. However, if the Master Lease terminates as a result of a default or breach by Sublandlord or Subtenant under this Sublease or the Master Lease, the defaulting party will be liable to the non-defaulting party for the damage suffered as a result of the termination. Regardless, if the Master Lease gives Sublandlord any right to terminate the Master Lease in the event of the partial or total damage, destruction, or condemnation of the Master Premises or the building or project of which the Master Premises are a part, the exercise of this right by Sublandlord will not constitute a default or breach.

Communications from Master Landlord. Sublandlord agrees to forward and otherwise relay to subtenant any and all relevant communications, including but not limited to those related to the Master Lease made by Master Landlord to Sublandlord immediately (within three (3) business days) absent exigent circumstances.

Insurance. Subtenant is required to maintain insurance on the Premises as provided for in the Master Lease.

Improvements to Property. Any improvements made to the Premises by subtenant will remain with the Premises, not including personal property of subtenant, including any outside structures (such as greenhouses).

Section 10. Termination

Subtenant shall be in default of this Lease if Subtenant fails to fulfill any lease obligation or term by which Subtenant is bound. Subject to any governing provisions of law to the contrary, if Subtenant fails to cure any financial obligation within 5 days (or any other obligation within 10 days) after written notice of such default is provided by Landlord to Tenant, Landlord may elect to cure such default and the cost of such action shall be added to Subtenant's financial obligations under this Lease.

A Termination Date ("Termination Date") is the date on which this Sublease stands terminated, subject to any terms of this Sublease.

Section 11. Insurance

At all times Subtenant, shall keep the Premises insured to the full cost of reinstatement under a policy complying with the terms of this Sublease.

Section 12. Option to Renew

Subtenant, upon satisfactory performance of this Sublease shall have the option to renew this Sublease for the remaining term of the master lease, on the same terms, providing the Premises are: leased to Sublandlord on the same terms. This option to renew is subject to all the provision to this Sublease. This option to renew is not transferable; the parties hereto acknowledge and agree that they intend that the aforesaid option to extend this Sublease shall be "personal" to Subtenant as set forth above and that in no event will any assignee have any rights to exercise the aforesaid option to extend.

Section 13. No Broker

Sublandlord and Subtenant each warrant that they have not dealt with any real estate broker in connection with this transaction. Sublandlord and Subtenant each agree to indemnify, defend, and hold the other harmless against any damages incurred as a result of the breach of the warranty contained in this Sublease.

Section 14. Notices

All notices and demands that may be required or permitted by either party to the other will be in writing. All notices and demands by the Sublandlord to Subtenant will be sent by United States Mail, postage prepaid, addressed to the Subtenant at the Premises, and to the address in this Sublease below, or to any other place that Subtenant may from time to time designate in a notice to the Sublandlord. Landlord is hereby irrevocably vested with full power and authority to subordinate this Lease to any mortgage, deed of trust or other lien now existing or hereafter placed upon the Leased Premises of the Building, and Tenant agrees upon demand to execute such further instruments subordinating this lease or atoning to the holder of any such liens as Landlord may request. Landlord may, from time to time, without prejudice to any, other remedy, use the Security Deposit to the extent necessary to make good any arrearages of rent or to satisfy any other covenant or obligation of Tenant hereunder. Following any such application of the Security Deposit, Tenant shall pay to Landlord on demand the amount so applied in order to restore the Security Deposit to its original amount. If Tenant is not in default at the termination of this Lease, the balance of the Security Deposit remaining after any such application shall be returned by Landlord to Tenant if Landlord transfers its interest in the premises during the term of this Lease.
