AGENDA ITEM F. PUBLIC HEARING

1. Vacate a portion of King Arthur Drive along a portion of Lot 16 as dedicated on Camelot by the Sea Subdivision, Plat SW 76. Also dedicate a public right of way from a portion of Lot 23 of Camelot By The Sea Subdivision, Plat SW 76; located within the SE 1/4 of Section 23, T1N, R1W, S.M., Alaska within the KPB; File 2017-085V

Staff Report given by Max Best

PC Meeting: 7/17/17

Purpose as stated in petition: Existing house encroaches into right-of-way.

Petitioners: Amand Bell and Matthew Hall of Seward, Alaska.

Notification: Public notice appeared in the July 5, 2017 issue of the Seward Journal as a separate ad. The public notice was published on July 12 as part of the tentative agenda.

Fifteen public hearing notices went sent by certified mail to owners of property within 300 feet of the proposed vacation. One receipt had been returned when the staff report was prepared.

Twenty-nine public hearing notices were mailed to owners within 600 feet of the proposed vacation.

Seventeen public hearing notices were emailed to agencies and interested parties. Nine notices were sent to KPB Departments by email or shared database.

Notices were mailed to the Seward Post Office and Seward Community Library to be posted in public locations.

The notice and maps were posted on the Borough bulletin board and Planning Department public hearing notice web site.

Comments Received:

KPB Addressing Officer: No objection to the vacation.

KPB Code Compliance: No comments.

KPB Planner: The plat is not in a local option zone, and it is not affected by a material site.

KPB Roads Department: No comment.

River Center: The proposed vacation is not in a mapped flood hazard zone, and it is not affected by the Habitat Protection District.

State Department of Transportation: Not within our current road inventory.

State Parks: No comments.

Staff Discussion:

The preliminary plat that will finalize the vacation, if it is approved, shows the right-of-way being vacated adjoining Lot 16 Block 4 is approximately equal to the right-of-way being dedicated by Lot 23 Block 7. The surveyor smoothed the right-of-way being vacated to the greatest extent possible. The plat is scheduled for Plat Committee review on August 14. Staff is not concerned about the encroaching sheds because these are small buildings that can be moved or dismantled.

King Arthur Drive is maintained by the KPB Roads Department. The owner is put on notice that the KPB

Roads Department can require removal of the sheds from King Arthur Drive at any time.

KPB GIS mapping indicates neither Lot 16 nor Lot 23 was affected by the 1995 or 2006 floods. KPB mapping shows the flood waters came very close to Lot 16 in 1986, but it was not inundated.

No comments from the utility providers were available when the staff report was prepared.

Findings:

1. The proposed vacation eliminates right-of-way to resolve the encroachment by the house on Lot 16 Block 4.
2. Right of way from Lot 23 Block 7, which is across King Arthur Drive from Lot 16 Block 4, will dedicate approximately the same amount of right-of-way proposed to be vacated adjoining Lot 16.
3. King Arthur Drive is maintained by the KPB Roads Department.
4. KPB Roads Department submitted a statement of no comments.
5. Sufficient rights-of-way exist to serve the surrounding properties.
6. Per KPB GIS mapping, the majority of rights-of-way in Camelot by the Sea Subdivision are maintained by the KPB Roads Department.
7. No surrounding properties will be denied access.

STAFF RECOMMENDATION: Based on the above findings, staff recommends approval of the vacation as petitioned, subject to:

1. Compliance of the preliminary plat with KPB Title 20, subject to exception(s) granted.
2. Grant utility easements as requested by the utility providers per KPB 20.30.060 and KPB 20.60.150.
3. Ensure the final width of King Arthur Drive complies with KPB 20.30.120.
4. Submittal of the final plat in accordance with Chapter 20 of the KPB Code such that recordation of the plat can occur within one year of vacation consent.

KPB 20.70.110:

A vacation of a street right-of-way, public area, or public easement within the borough outside of the limits of cities may not be made without the consent of the borough assembly. The assembly shall have 30 calendar days from the date of approval in which to veto the planning commission decision. If no veto is received by the planning director within the specified period, the borough shall be considered to have given consent to the vacation.

KPB 20.70.120:

- A. Denial of a vacation petition is a final act for which no further consideration shall be given by the Kenai Peninsula Borough.
- B. Upon denial by the planning commission, no reapplication or petition concerning the same vacation may be filed within one calendar year of the date of the final denial action except in the case where new evidence or circumstances exist that were not available or present when the original petition was filed.

KPB 20.70.130:

THE FINAL PLAT MUST BE RECORDED WITHIN ONE YEAR OF THE VACATION CONSENT IN KPB 20.70.110.

END OF STAFF REPORT

Chairman Martin opened the meeting for public comment.

1. Jerry Johnson, Johnson Surveying, PO Box 27, Clam Gulch
Mr. Johnson requested that the Commission approve the subject right-of-way vacation so that they can proceed with the subdivision plat. He addressed Roads Comments regarding the utility easement along the 20 foot building setback adjacent to the right-of-way. That house will not be subject to

either the new building setback or the utility easement. Mr. Johnson will revise the note on the plat to reflect that. He was available to answer questions.

Chairman Martin asked if there were questions for Mr. Johnson. Hearing none the public hearing continued.

Seeing and hearing no one else wishing to speak Chairman Martin closed the public comment period and opened discussion among the Commission.

MOTION: Commissioner Ecklund moved, seconded by Commissioner Carluccio approval of the vacation of public easement in the Bear Creek area and the dedication of public right-of way in the same area based on staff recommendations and the following findings of fact.

Findings:

1. The proposed vacation eliminates right-of-way to resolve the encroachment by the house on Lot 16 Block 4.
2. Right of way from Lot 23 Block 7, which is across King Arthur Drive from Lot 16 Block 4, will dedicate approximately the same amount of right-of-way proposed to be vacated adjoining Lot 16.
3. King Arthur Drive is maintained by the KPB Roads Department.
4. KPB Roads Department submitted a statement of no comments.
5. Sufficient rights-of-way exist to serve the surrounding properties.
6. Per KPB GIS mapping, the majority of rights-of-way in Camelot by the Sea Subdivision are maintained by the KPB Roads Department.
7. No surrounding properties will be denied access.
