Re: Engagement Letter to Provide Appraisal Services for the Andeavor Kenai Refinery in Kenai Peninsula Borough, Alaska, as of January 1, 2018

Dear Messrs. Twomey and Anderson:

This engagement letter (the "Engagement Letter") confirms that we, Duff & Phelps, LLC, ("Duff & Phelps") have been retained by both Andeavor Companies, Inc. (the "Company" or "Andeavor") and Kenai Peninsula Borough Assessing Department (the "Borough" or "Assessor"), to provide the valuation services (the "Services") as set out below the Full and True Value of the Andeavor (formerly, "Tesoro") Kenai Refinery, located near Kenai, Alaska as of January 1, 2018 (the "Valuation Date").

Duff & Phelps understands that the Services are being performed on behalf of Company and the Borough to provide an appraisal report to be used in an attempt to reach a mutually agreeable valuation and that all information gathered, opinions formed and documents generated are to be considered and maintained as confidential and subject to the Attorney Client and Attorney Work Product privileges. All documents generated and opinions developed shall be conveyed only to you or your designee. Duff & Phelps may prepare a report utilizing Andeavor confidential information and including a general overview of aggregated information derived from the Andeavor confidential information. Andeavor and Borough may sign a confidentiality agreement covering information Andeavor deems confidential. Duff & Phelps shall not be responsible for any such determination. Duff and Phelps shall provide any and all preliminary analyses, opinions, draft and final reports to Andeavor and Borough simultaneously.

Andeavor and the Borough each reserve the rights to hire one or more review appraisers to conduct one or more appraisal reviews of the Final Report signed by Duff & Phelps, LLC, whether or not this matter is settled or proceeds to administrative or legal proceedings. Collectively, this arrangement is the "Engagement".

Scope of Services

The Company and the Borough has expressed a desire and willingness to engage Duff & Phelps for valuation services for the Kenai Refinery. The Services will include estimating the Full and True Value of certain assessed property consisting of real and personal property of the Kenai Refinery located at 54741 Tesoro Road, Kenai, Alaska as of January 1, 2018. Land will be excluded from this analysis as

it is understood that the value of the land has been stipulated to as of the January 1, 2018 appraisal date. However, the legal description of the Kenai Refinery is: T 7N R 12W SEC 22 Seward Meridian KN GOVT LOT 4 & SE1/4 NW1/4.

Full and True Value is defined by the Alaska Statute AS 29.45.110 as:

“...the estimated price that the property would bring in an open market and under the then prevailing market conditions in a sale between a willing seller and a willing buyer both conversant with the property and with prevailing general price levels.”

For our valuation and appraisal analyses, we will utilize the following procedures:

- Meet with the Company and Borough to discuss the business operations, performance, and projected economics and utilization;
- Prepare valuation schedules and supporting documentation detailing our conclusion for the real and personal property fair market value, exclusive of land;
- Conduct a site inspection of the property to gather specific information such as operation forecast, utilization, equipment specifications, and other pertinent data;
- Conduct a cost approach to derive an estimate of value considering replacement cost new less depreciation of the Kenai Refinery;
- Conduct a market approach based upon the national market to derive an estimate of value considering "sales of similar assets";
- Conduct an "after-tax" discounted cash flow ("DCF") analysis and identify intangible asset values that are inherent within the subject property to derive an estimate of value consideration to the underlying real and personal property; and
- Prepare Appraisal Report including our written opinion and analyses allocating value to real and personal property, excluding land.

It is understood that the valuation services are to be conducted for property tax purposes.

During the course of the Engagement, we may use and rely upon financial and other information, including prospective financial information obtained from the Company and from various public, financial, and industry sources. Any conclusions reached by us will be dependent on such information being complete and accurate in all material respects. However, as is customary in the appraisal profession, the scope of our work will not enable us to accept responsibility for the accuracy and completeness of such provided information.

For the appraisal services, we propose one phase of the overall engagement: to determine what will be a preliminary prospective appraisal of the Andeavor Kenai Refinery as of January 1, 2018.

Phase 1 – Prepare Full and True Value Analyses and Appraisal Report

In Phase 1 Duff & Phelps will perform a valuation analysis for the assets described in the description of the operational subject assets section above and provide the results both verbally and prepare an Appraisal Report.

Valuation Approaches

Our analysis will consider all three basic approaches to value: income, sales comparison, and cost. While we will give consideration to all three approaches to value, we will rely on and correlate the results of those approaches that are appropriate and most indicative of the value required for assessment purposes.

Deliverables

Our deliverable will consist of an Appraisal Report in narrative format. The report will summarize the procedures used to arrive at our valuation conclusion. As such, it will provide only summary discussions of the data, and reasoning used in the analysis. The initial report will be presented in a draft format for your review and editorial comments. The final report will only be issued after the Company and Borough has thoroughly reviewed the draft report.

We will work with the Company and Borough to meet your timing requirements. We will plan to start the engagement soon after we receive written approval from both the Company and Borough. We also plan to provide you with a preliminary indication of value verbally, as soon as we are confident of our opinion of value. The preliminary indication of value will be based on limited information and investigation and hence, may not represent our final opinion of value if new and/or additional information requires us to change our opinion. The preliminary indication of value will not be in the form of a written report.

Timing

Finalization of the Phase 1 valuation is anticipated to occur within 60 days after the execution of this engagement letter and once the required requested data is received from the Company.

Staffing and Fees

Mark Simzyk will be the Managing Director in charge of the Services on behalf of Duff & Phelps, and will perform the day-to-day aspects of our work program. We will call upon additional experienced staff when required.

Based upon our understanding of the engagement, we estimate fees for Phase 1 of the Engagement to conduct a prospective appraisal and provide a summary Appraisal Report of the tangible real and personal property of the Tesoro Kenai Refinery as of January 1, 2018, to be **\$135,000**, fixed fee, inclusive of out-of-pocket expenses. Andeavor and Borough will be jointly and severally liable for the fee.

The above estimates are based on the expectations and assumptions described in the Scope of Services section of this Engagement Letter.

Form of Advice

It is anticipated that the written advice Duff and Phelps provides during the course of this engagement will be limited to the scope of the work described herein. One or more additional issues may exist that could affect the Federal tax treatment of the real and personal property that will be the subject of our analysis. Our analysis will not consider or provide a conclusion with respect to any of those issues. With respect to any significant Federal tax issue outside the scope of the report, the report will not be written, and cannot be used, by anyone for the purpose of avoiding Federal tax penalties.

Acknowledgement and Acceptance

In accordance with Duff & Phelps policy, it is necessary that we receive an executed copy of this Engagement Letter and the attached Terms and Conditions (to which this Engagement is subject) prior to commencement of the Services. If the scope and terms of the Engagement Letter and the attached Terms and Conditions are acceptable, please acknowledge your acceptance by signing the confirmation below and returning this Letter to us at the above address and e-mailing (mark.simzyk@duffandphelps.com) or faxing (312) 265-3558 a copy to us.

Sincerely,

Mark R. Simzyk
