Expertise

To Whom It May Concern:

I, Tyson Cox, am applying for Board of Equalization, Seat-C. My expertise and/or experience relating to the function of a BOE member include:

*BOE Member for Spring 2017 (2016 Assessments) - I gained experience sitting on 50+ appeal hearings last year.

*Real Estate Investor Since 2006 - I have a very realistic idea of property values in the area as I have purchased and sold 25+ properties on the Kenai Peninsula.

*Bachelor of Education, Minor Mathematics (UAA 2001) - I have a clear understanding of mathematical terms and formulas and upper level problem solving skills.

*City of Soldotna Council Member since 2016 - I have gained experience working with the public on sensitive topics such as sales tax, annexation, and legalized marijuana.

I found spending time hearing appeals last year to be an excellent way for me to give to our community. Being a BOE Member is not a popular position, but I strongly believe it is a very necessary one. Please consider my application for Seat-C.

Thank you,

Tyson Cox
