Ordinance 2018-19

Wayne Aderhold

Location:

Submitted At: 6:48pm 05-15-18

I support "full funding" of the KPB per the proposed budget, and seeking additional revenue (taxes) in order to balance, when necessary. In particular, I support full funding for "education", including the proposed amount in Fund 242, Postsecondary Education (KPC & KPB campuses), which is currently at the \$820k level, as I read it. I am speaking for myself and as a member of the KBC Community Advisory Board.
