FY2019 Proposed Budget Change Form

	Page #	Fund #	Department #	Department Name	Object Code	Account description	Original budget amount	Increase or (decrease) amount	Resulting budget amount
example	61	100	11110	Assembly	43410	Printing	0	100	100
	249	241		School fund		School District funding	\$ 49,738,432	\$ 652,609	\$ 50,391,041

Explanation

When I visited with some of our delegation from Juneau, they stated that they came as far as they could with new funding to reach the cap and felt that the Assembly should go the remainder for full funding. My budget amendment sets our KPB budget added with the new funds to the district from the legislature and reaches the original cap number.
