

## Reallocation of Grant Funds

### Alaska Division of Homeland Security and Emergency Management

#### **Application for Reallocation of HSGP Grant Funds**

**Note to Applicants:**

To be eligible to receive Homeland Security grant funds eligible jurisdictions must have an active DUNS number and meet National Incident Management System (NIMS) compliance requirements. Completion of the Alaska Assessment is the means in which the State monitors NIMS compliancy.

Jurisdiction:	Kenai Peninsula Borough
Responsible Borough: (if applicable)	
Amount Requested	\$8,850

1. Provide a brief project description and explain why this project is important to the community? If project includes equipment it must include the Authorized Equipment List (AEL) number. The AEL is attached to the reallocated funds announcement email as a .pdf file. The website which previously held the electronic version of the AEL is offline. The .pdf should be used to locate AEL numbers

The Soldotna Public Safety Communication Center (SPSCC) needs to upgrade the "virtual message switch" (VMS) from the antiquated RS6000 system. The VMS is used for law enforcement providing a means for the SPSCC Computer Aided Dispatch system (CAD) to communicate with the Alaska Public Safety Information Network and the Federal National Crime Information Center data storehouse. Through the VMS, the dispatchers using CAD can run license plates, check warrants and criminal histories, find information on missing persons or stolen property, and other law enforcement related information. This data can then be forwarded to law enforcement personnel in the field and also stored in the CAD incident records.

AEL#: 04AP-01-CADS  
04HW-01-INHW

2. Please explain how the community plans to complete this project in a timely manner?

The borough will provide the grantor a procurement method report form with justification to purchase the VMS through existing government contract, expediting the ordering process.

3. If approved, can the jurisdiction accept the grant award within 30 days? If no, provide explanation.

The borough requires grant funds to be approved and appropriated by the assembly through the ordinance process. This process may take 30-45 days dependent upon award notification.

**Jurisdiction Point of Contact:**

1. **Name:** Lisa Kosto, SPSCC Manager
2. **Address:** 253 Wilson Lane, Soldotna AK 99669
3. **Telephone Number:** 907-262-4910
4. **Fax Number:** 907-714-2395
5. **Email Address:** lkosto@kpb.us

**Authorization to Submit Application:**

By signature below the undersigned acknowledge they have been duly authorized by the jurisdiction to submit this application and will comply with the assurances, agreements, and/or special conditions set forth upon receipt of grant award.

**Jurisdiction Project Manager:**
