

Kenai Peninsula Borough
Office of the Borough Mayor

MEMORANDUM

TO: Wayne Ogle, Assembly President
Members, Kenai Peninsula Borough Assembly

FROM: Charlie Pierce, Mayor 

DATE: October 17, 2018

RE: Emergency Ordinance 2018-19- 21, Appropriating Funds from the General Fund for Flood Response Under the Declared Local Disaster Emergency within the Kenai Peninsula (Mayor)

Heavy rainfall throughout the borough started October 12, 2018, resulting in conditions causing severe damage. As a result, of these problems, a local emergency disaster was declared by my office on October 16, 2018. The heavy rainfall is forecast to continue for an additional 10 days.

It is expected that significant expenses will be incurred in responding to this event and repairing damages to public infrastructure caused by the flooding. This ordinance is an emergency ordinance due to life, health, and safety issues. It seeks funding in the amount of \$300,000 to enable the borough to respond to and immediately commence work repairing damages associated with the disaster. An emergency ordinance requires approval by three-fourths of the total assembly and is affective for 60 days. Your consideration is appreciated.
