**MEMORANDUM**

**TO:** Wayne Ogle, Assembly President  
Members, Kenai Peninsula Borough Assembly

**FROM:** Charlie Pierce, Mayor *cp*

**DATE:** October 17, 2018

**RE:** Amendment to Emergency Ordinance 2018-19-21, Ordinance  
Appropriating Funds from the General Fund for Flood Response Under  
the Declared Local Disaster Emergency within the Kenai Peninsula  
Borough (Mayor)

---

Based on updated information the administration respectfully requests that the assembly amend this ordinance to increase the appropriation from \$300,000 to \$500,000, and to provide that the funds may be used for recovery purposes in addition to response and assessment. It now appears likely that the storm surge will continue at least through October 19, 2018. If the additional funds are not needed for this emergency they will not be spent. Additionally, emergency response funds are traditionally used for recovery purposes as well as response and assessment, and the ordinance needs to be amended to allow that use. (Please note the bold underlined language is new and the bold strikeout language in brackets is to be deleted.)

➤ Amend the second whereas to read as follows:

**WHEREAS,** an appropriation is needed to provide funding for the borough's response, **recovery**, and an assessment of damages; and

➤ Amend Section 1 as follows:

**SECTION 1.** That the sum of ~~\$300,000~~ **\$500,000** is hereby appropriated from the general fund balance and transferred to account no. 260.11251.19FL2.49999 for response, **recovery**, and assessment by the borough through the declared disaster emergencies within the Kenai Peninsula Borough.
