# OEM Mission

---

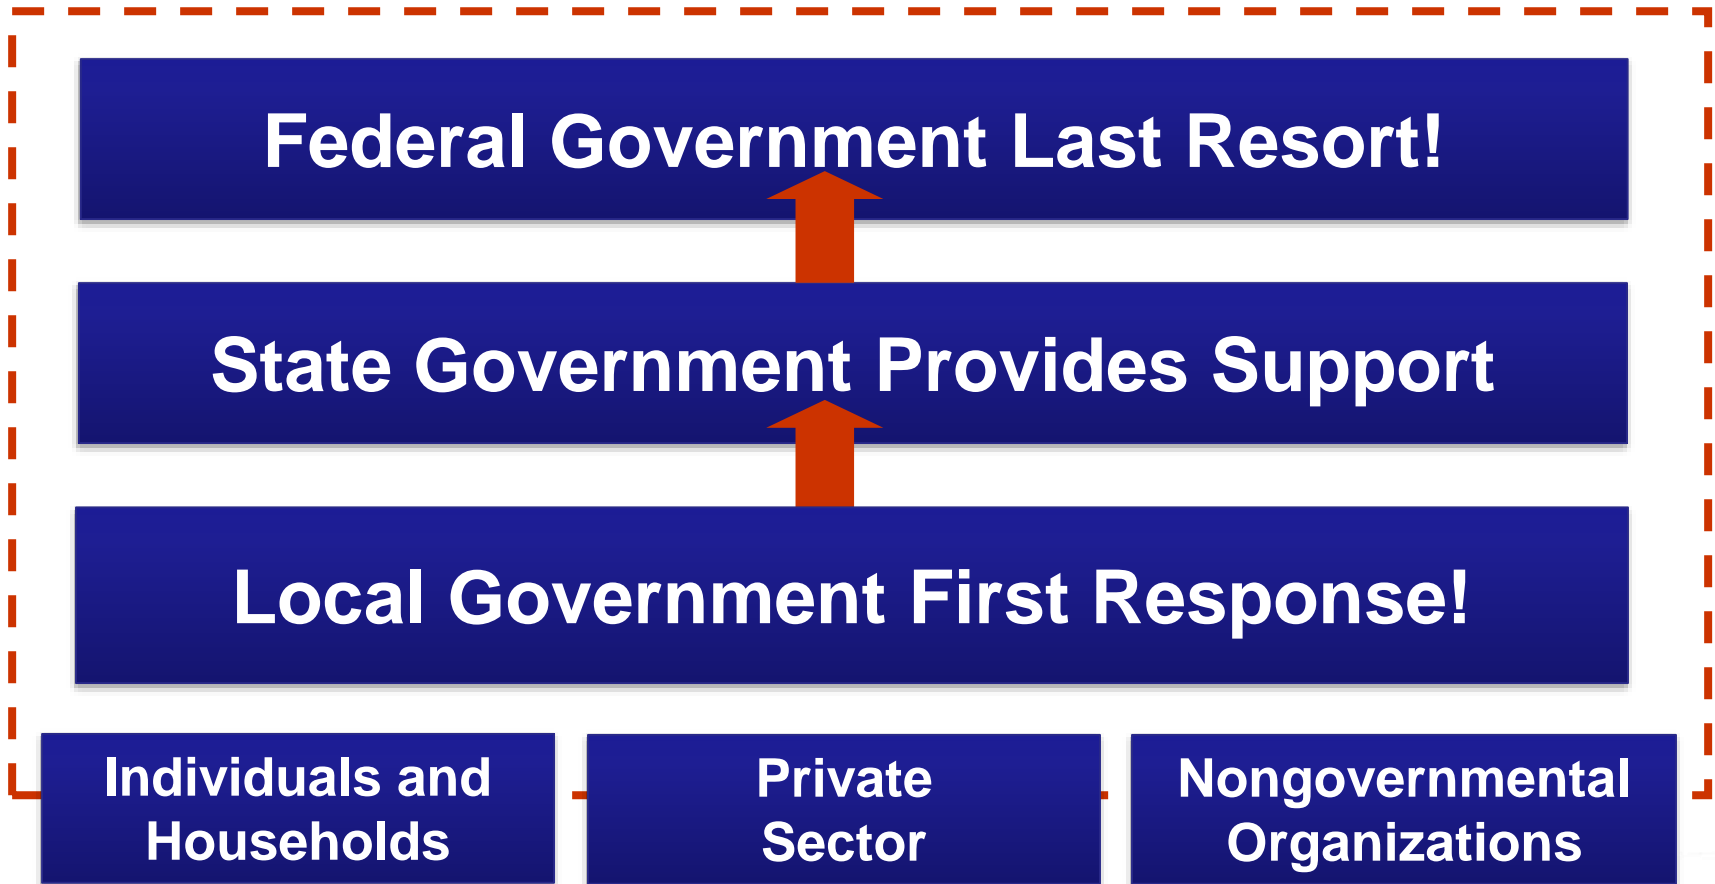

The department shall be responsible for development of borough and inter-jurisdictional disaster response and recovery plans, and for coordination of disaster management between the borough, the State of Alaska, and other municipalities and response and recovery organizations.

***KPB Code of Ordinances Chapter 2.45***

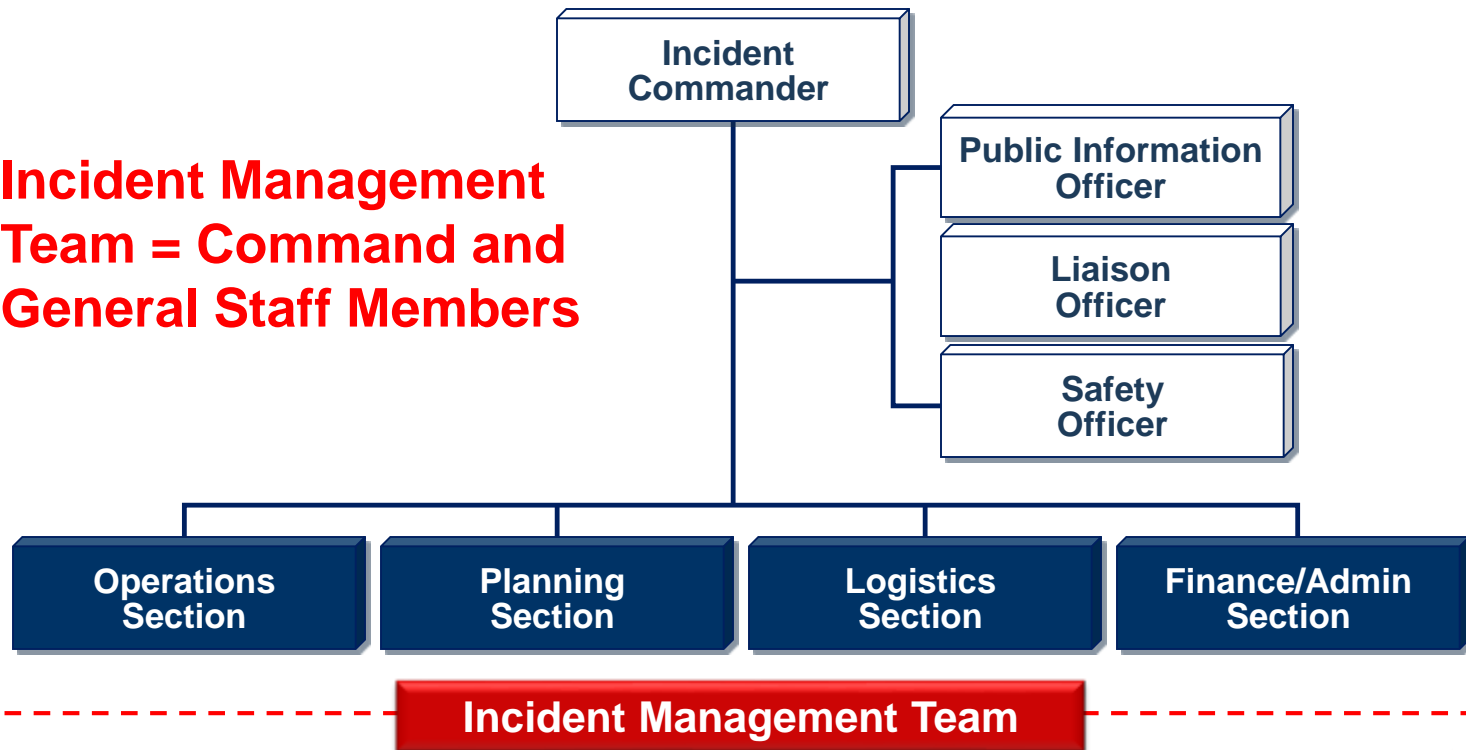

# Response Framework

# Incident Management Team

**Incident Management  
Team = Command and  
General Staff Members**

# Management by Objectives/Priorities

---

ICS is managed by objectives and objectives are communicated throughout the entire structure.

Initial decisions and objectives are established based on the following priorities:

**#1: Life Safety**

**#2: Incident Stabilization**

**#3: Property/Environmental Conservation**
