**KENAI PENINSULA BOROUGH
ORDINANCE 2018-19-13**

**AN ORDINANCE APPROPRIATING \$92,000 FOR COSTS RELATED TO REPLACING
THE EMERGENCY GENERATOR AND ACCESSORIES FOR NIKISKI FIRE
STATION #1**

WHEREAS, through the budget process the Nikiski Fire Service Area allocated \$150,000 for repairs, maintenance and a generator engine control upgrade at Fire Station #1, located at 44800 Kenai Spur Highway; and

WHEREAS, during the assessment process by the borough maintenance electrical team for required electronic upgrade of the generator it was determined that the current generator system needs to be completely replaced; and

WHEREAS, the existing system is old, unreliable, beyond its useful life and continued use of it as a back-up system is not reliable;

WHEREAS, the manufacturer of the existing system is no longer in business which makes locating original equipment manufacturer replacement parts very difficult and with the long lead times, and the control components are analog which are very outdated and difficult to work on when needed; and

WHEREAS, it is recommended to replace the existing system with a new up-to-date digital controlled outside mounted generator system with an onboard fuel tank along and a compatible transfer switch, associated components/equipment and a remote monitoring system that would bring the system up to current standards and in compliance with regulations for this type of backup generator system; and

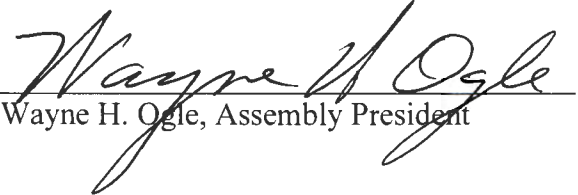

WHEREAS, at its regular meeting on September 12, 2018, the Nikiski Fire Service Area Board recommended approval of this ordinance;

NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

SECTION 1. That \$92,000 is appropriated from the Nikiski Fire Service Area Capital Project Improvement Fund, fund balance to account number 441.51110.19GEN.49999.
