SUBJECT: Resolution 2018-~~048~~ Supporting the Transportation Priorities to be Considered for Grant Funding to be Submitted to the State of Alaska Department of Transportation and Public Facilities (Mayor)

This resolution supports a local transportation committee's efforts to prioritize projects identified in the Central and Southern Kenai Peninsula Coordinated Transportation Plan as updated in 2015. The committee is made up of diverse stakeholders, including nonprofit, medical, tribal, governmental, private business and agencies, transportation providers and users of public transportation. The prioritized projects will be submitted by the Independent Living Center, Inc. to the Alaska Department of Transportation for the purpose of applying for federal pass-through funding from Federal Transit Administration programs as well as the Alaska Mental Health Trust. The Independent Living Center, Inc. was the only organization that presented applications to the committee for consideration and ranking.

The prioritized projects must be supported by a local governing body for the projects to be eligible for federal and state transit funding. This resolution requests such support and has no fiscal note attached for the borough assembly.
