RE: Ordinance 2019- 24, Adopting KPB 20.80, Subdivision Private Streets and Gated Subdivisions (Mayor)

Goal 6.5 of the 2005 Comprehensive Plan is to maintain the freedom of property owners in the rural areas of the borough to make decisions and control use of their private land. Privacy, security, and public safety concerns expressed by residents may be addressed by private streets in subdivisions. Private streets can only be approved through the KPB 20.50 exception process and there are currently no designated standards and requirements, nor established procedures to create subdivisions with private streets and gated access.

There is a need for standardization, criteria, and establishment of procedures for creating both subdivisions with private streets and gated subdivisions. This ordinance codifies the requirements and procedures for creating these types of subdivisions.

This matter is scheduled to come before the KPB Road Service Area Board's at its August 13, 2019 meeting and the KPB Planning Commission at its August 26, 2019 meeting. The recommendations of both boards will be presented to the assembly prior to the final hearing on this ordinance.

Your consideration of this ordinance is appreciated.
