To the KPB Assembly:

Please fully fund Kenai Peninsula College by passing Ordinance 2020-19.

The college has been of great importance to my own ongoing education as a KBBSD teacher. It has been critical for many, many of my students who utilized Jump Start or went on to a KPC program or degree. The college is needed right here for everything from training Slope workers to revitalizing Alaska Native languages. As a volunteer ESL tutor I've seen the value of the Adult Basic Education programs through my students' eyes. KPC is an important community presence, allowing all residents to make our lives better through classes, cultural events, and trainings.

I thank the Assembly for its past support of the college and hope it continues to do so.

Laura Sievert, Kenai
