Good morning Johni. Attached are photos pertaining to the Marijuana License #22294 Alaska Grown Cannabis that I will be testifying on Tuesday, June 16th assembly meeting.

There were concerns about the location at the Planning and Zoning Commission meeting and without any photos or site visit, the commission approved the location. I would like the Assembly Members to be able to see what my concerns are via the photographs provided.

If you have any problems with opening the attachments, please let me know. There will be two emails with photos. The file is too large to send as one email. There should be one (1) DEC document and four (4) photos in this email. Photos five (5) - Seven (7) will be in the second email.

Thank you for all your efforts.
