Dear Mayor, Planner, and Assembly,

I support ordinance 2020-25, the creation of a Resilience and Security Advisory Commission.

The residents of coastal communities of the Kenai Peninsula are experiencing the effects of climate change at a much faster rate than most Americans. Coordinated, proactive efforts to increase our resilience are critical to the health and well-being of our communities, and the lands and waters on which we depend.

I urge you to support this common sense legislation. Thank you for your consideration.

Best,
Jen Leahy

304 Second Ave,
Seward, AK 99664
