Hi KPB Assembly;

Thank you for your service. I know it's tough, especially right now with all the commotion going on in the news.

I urge you to pass Ordinance 2020-24 - Vote by Mail Hybrid. Alaskans can vote in person (on election day), ahead-of-time at a valid polling place, & via absentee ballot. The dictionary defines an absentee ballot as a ballot completed and typically mailed in advance of an election by a voter who is unable to be present at the polls. Currently, we are in this Covid 19 predicament where we don't know if we will actually be able to get to the polls on voting day. We may be sick & in quarantine, or we may have co-morbidity health conditions which could put us at risk of contracting a deadly disease at a polling place.

What a drag!

All people who are registered to vote have the right to cast a ballot. If you don't allow people access to the absentee ballot because they will still be on the Kenai (but stuck at home), they lose access to their voting rights. Whose fault would that be? I think you have a legal responsibility to make sure that all people have access to a voting ballot, regardless of whether or not they are ill with the virus.

Please vote for Ordinance 2020-24.

Thank you!

Sincerely,

Kate Veh

Message:

Please forward to all assembly members and the Mayor.

Thank you for introducing the Vote by Mail legislation. I am in favor of this and would like to see this passed in our borough. What I understand it is already been successfully used in five other states. I believe this is the direction to take for the future.

Thank-you,

As a senior citizen living in Soldotna, I appreciate the assembly passing Ordinance 2020-24 to allow voters to be able to vote either in person or by mail-in/drop-off ballot for borough elections.

This ordinance is especially important in this day in the age of the pandemic. Should the voter jeopardize her/his health to vote? I know I have two counts against me, as does my husband. We wear masks to protect others. I find it reprehensible that the borough would want me to vote in person and potentially expose me to COVID-19 or some other disease.

The borough historically has had such a miserably low turnout for elections. I am pleased that this ordinance will help increase voter numbers and therefore be more representative of our population.

I understand that Mayor Pierce is planning on vetoing the Assembly's vote. I encourage you to override his veto if he indeed does this.

Sincerely,
Mari Auxier

Dear Borough Clerk,

Please forward my comments to the entire borough assembly.

I am aware of the concerns over health issues and the sadly low historical participation in our election process. I am also deeply concerned about the issues that mail in only balloting creates. Actually we have mail in ballots already don't we. Absentee ballots. My concern really is with the concept of "Mail Out" ballots. I have tried to imagine how we can have a secure election system if we send out ballots in the mail. They can be intercepted, counterfeited, duplicated and thereby manipulated by any individual or group that has an agenda but not the integrity to accept the decisions of the majority. I know our turnout at the polls is appalling. In fact if everyone turned out to vote I wonder who would have the patience to wait in a line that long. I have voted at every opportunity since I was 18 years old. I am now 66. I consider it a sacred right and responsibility to vote. I also believe that every forged or manipulated vote is a violation of my right to vote. I think every citizen of this country should vote. I also think that we should accommodate everyone who has any difficulty casting their rightful vote. Be aware that mail out ballots may not turn out in your favor. If it doesn't what recourse will you have.

I previously testified in support of Ord 2020-24 and gave basic backup information for my opinion. None of the circumstances or facts have changed. Ord 2020-24 is a result from a year long, bi-partisan, process (aka "elections stakeholders group").

The Mayor is simply attempting to respond to an unsupported (and conflicting) "populist" call by the POTUS to his followers.

Worse, this attempt would be counter to the example set by POTUS (and family) in use of vote-by-mail provisions themselves.

Please do the right thing and **vote to override the Mayor's misguided veto.**

Sincerely,
Wayne Aderhold

I live in Kenai and I am in the "vulnerable" category in terms of the COVID-19 virus. I believe I should be able to vote without endangering my health to do it. Voting is an American right Everyone in this state should be able to cast a vote without putting themselves at risk. The only way to ensure this is to have a Vote-by-Mail process that is available to everyone. Please do what is right for all of us - keep Vote-by-Mail!

Thank you so much Assembly members, for passing the vote-by-mail option for all of our Borough elections!! I/We need to be able to express our votes through the mail! This option does not depend on my state of health, cycle of infectiousness (CoVid-19 or otherwise), the weather, the roads, the battery on my car, ability to get a ride to the polls, OR anything else that would stop me from voting in person!!

Voting-By-Mail is logical and wayyyyyyyyyy overdue as a primary means of voting in the Kenai Peninsula Borough!

PLEASE DO NOT LET THE MAYOR'S THREAT TO OVER-RIDE ORD. 2020-24 BE SUCCESSFUL TONIGHT!!

Thank you,

Kate Finn

I am writing to urge the Assembly to **support the vote by mail option**. I am currently recovering from a flu I picked up during my once a week outing to the Post Office and grocery store - only yesterday was it confirmed to NOT be Covid19.

These are scary times for those of us who are vulnerable, and voting by mail is a safe way to stay engaged in the election process.

Please do not force us to expose ourselves unnecessarily.

Thank you

Hello, would you please forward this to all of the assembly people

Hello to all the Assembly members,

I want to express my support to over-ride the Mayor's veto regarding mail-in voting Ordinance 2020-24, which was passed on a vote of 6-3 and then was furthered along by not allowing for reconsideration. This issue of vote by mail is a non-partisan issue. Evidence shows mail-in voting is very secure, it is safe for your health, you have more time to study the ballot, and the Borough has researched this topic and knows the pros and cons as well as any group. There was no good reason to veto this bill. Please reject the Mayor's veto.

I did enclose a link to an article about Republicans that do vote by mail and feel it is safe to do. <https://www.ksat.com/news/politics/2020/06/22/trump-rails-against-mail-voting-his-aides-have-embraced-it/>

Please distribute to all the Assembly Members

Assembly Members,
Please vote to override the veto on the Vote by Mail ordinance.

Citizens have a right to vote in every election. At this time, because of the pandemic, it is not **safe** for many of us to go into a closed room with a large group of people. It is possible for us to vote if we can vote by mail. We need this to be possible for the safety of our citizens here on the Kenai Peninsula. There is also the safety of election workers--those dedicated folks who would have to sit in the room for so many hours, which would be unsafe.

Please override the veto and help keep us safe.

Thank you.

Lynda (Lani) Raymond

Members of the Kenai Peninsula Borough Assembly,

I feel very strongly about voting by mail, and I support an override of the mayor's veto of Ordinance 2020-24. In fact, I'm surprised that the mayor vetoed a measure that passed by a 6 - 3 vote and for which reconsideration did not occur.

Vote-by-mail is not an issue that should answer to partisan concerns. It's a simple matter of facilitating the ability to vote, particularly in a time of pandemic. What sort of statement does it make when we take steps that reduce the ability of citizens to cast their ballots. Some have contended that vote-by-mail makes voting fraud easier, and that argument simply holds no water.

I cannot conceive of any valid reason for vetoing this measure. Please vote to override this ill-advised move by the mayor.

Thanks for reading my comments.

I very much support the option to vote by mail for every election held by the borough and also by the city.

It seems a particularly important time now with Covid present on the Peninsula. It shows a concern for all our residents when we do anything we can do to keep everyone safe who feels they need that kind of extra protection. In addition increasing participation is beneficial where turnouts historically have been very low. In addition the more people who feel they have a voice through the democratic process the more likely they will vote rather than protest because they have no voice.

Thank you,
Ouida Parker, Soldotna resident
Previously a poll worker in Soldotna

Dear Assembly...I beg you to stymie any attempt by the Mayor to override vote by mail. I am a senior citizen in this borough and I do not want my life and that of my fellow seniors to be at risk of COVID 19 simply because we are exercising our right to vote. Voting by mail is efficient, it puts neither us nor election officials at risk, and ensures that every eligible voter who can and has the right, may cast a ballot, regardless of their infirmity or circumstance. In this time of pandemic, efforts should be towards ensuring safety for voters, not thwarting their efforts. Thank you for your attention.

I find it unconscionable that the mayor has vetoed the vote-by-mail ordinance at a time when going to the polls in person is to risk one's very life, not to mention the lives of the poll workers. I encourage all assembly members to vote to override the mayor's cruel and ill-considered veto.

Sincerely,

> I am writing in support of the hybrid vote by mail / vote in person system proposed in Ordinance 2020-24 which I heard the assembly pass during yesterday's meeting. I did not hear the result of the request to reconsider at the next meeting. Thank you for passing the ordinance, and, if it is to be reconsidered, I encourage you to uphold it. The hybrid VBM system is a wise and necessary move both in response to Covid conditions and also because it expands the abilities of and opportunities for borough residents to practice their right to vote. Seems like a no-brainer.

Dear Borough Assembly members,
I have been out of town, and out of internet range.
Now I hear that the Mayor vetoed the "vote by mail" ordinance.
I cannot understand why there is opposition to voting by mail. I vote by mail regularly because I travel regularly, and because I don't want to wait in long lines to vote. Now, more than ever, I don't want to wait in any line to vote. Voting by mail is easy and safe and we MUST be encouraged to do that.
Please override the Mayor's veto. Thank you.
Vivian Finlay

Dear Assembly Members,
Thank you for your service to the Kenai Peninsula Borough. I appreciate the extraordinary time and energy you give to understanding issues and listening to your constituents.
Please do everything you can to put voting by mail in place.
It will reduce possible exposure to Covid 19 for those you represent.
It is more efficient and is respectful of voter's time. It eliminates wait times at polling places. Voting by mail will reduce election costs for tax payers.
It is more secure than in person voting because signatures are checked.
Please put voting by mail in place as soon as possible.
Thank you.

Dear Johnnie Blankenship

It is critical that we have Vote by Mail available to us in the Kenai Peninsula Borough. Each voter has the right to be heard and counted. For those who are unable to go to the polls and for those who are reluctant to go to the polls for health safety concerns especially in this time of the Coronavirus, or for any voter who may be out of state on voting day it is critical that they be able to vote by mail.

Please stop the mayor from vetoing Vote by Mail tonight at the Assembly meeting.

Thank you, Kathleen Dinius

Hi Johni,

Thank you for all your work supporting the Assembly in their decision-making process around the Kenai Boro voting at home.

I can send a longer note this afternoon, but I wanted to affirm that The Alaska Center Education Fund & it's membership on the Kenai Peninsula — around 900 action-takers, donors, and civically-engaged community members — stand in support of all Alaskans having access to voting at home this year and into the future. Our members have sent over 100 emails to their Assembly members in the past few months in support of this change, and we would be disappointed to see the Assembly & the people's will not come into fruition because of the concerns of one or two elected officials.

I'm hopeful the Assembly considers overriding the Mayor's Veto during its meeting tonight.

Regards,

Evan Anderson
Director of Civic Engagement
The Alaska Center Education Fund

Please distribute this email to all Assembly members:

I ask that you override the Borough Mayor's veto of the Assembly's recently passed provision to allow mail-in ballots. Especially at this time, the option to not gather at the polls in order to vote is critical to our democratic process. It is in the best interest of the health and wellbeing of voters and poll workers to allow people to stay home to vote. By taking this measure to minimize poll place gatherings and to make it possible for people with the virus, knowing or unknowing, to vote from home, you are protecting not only the health of our communities but also our economies by not providing another way to spread the virus and further risking business closures.

Thank you for passing this ordinance originally. Please continue to do the right thing by overriding the Mayor's veto.
Kathryn Carssow, Homer

To the borough assembly and mayor,

We must ensure that everyone is able to vote safely in the state of Alaska. Public health should be the number one consideration in this matter. The division of elections is already having difficulty finding poll workers because workers don't want the chance to be exposed to Covid. Nobody should have to take that chance, not a voter, not a poll worker not a division of elections worker, **NOBODY!!**

Vote by mail must be available.

Thank you for your consideration in this matter.

Dear Borough Assembly Members

I strongly urge you to Override the Mayor's veto of Vote By Mail.

For my family and many of my friends and neighbors in the Kachemak City area of Homer, this is the only safe way to exercise our responsibility as citizens.

I am nearly 68 years old, and care for my mother who will be 96 this fall. I have a pre-existing lung condition; she has congestive heart failure. We are very strictly practicing safe behavior during this time, and following guidelines to severely limit our time in public places.

Please do not take away our right to Vote!

Respectfully,

Judith A James
