Dear Assembly,

I support Ordinance 2020-032, replacing civil fines with citations for certain parking violations.

We here in Seward have been very frustrated with the lack of effective enforcement for illegal parking, particularly at Lowell Point. Note that it's not just summer visitors that choose to park in a designated No Parking Area, or in a Manner that Impedes Traffic or Maintenance. It is particularly dangerous when illegal parking impedes or blocks access for emergency responders.

I also appreciate the significant cost savings to the cited individuals and better opportunities to contest citations which they feel are in error.

Thank you for reviewing the Parking Regulations and for recommending this amendment. I hope you support it unanimously.

Best,
Carol Griswold
