Received a notice of subdivision for Green Forest Subdivision Carew Addition. KPB File 2021 - 106

On the survey drawing it incorrectly names Georgine lake abutting this land.

Maybe have your surveyor look at a map before incorrectly naming lakes. Poor reflection on the surveyors if they don't know where they are and what they're looking at.

I am not against what they want to do in any way shape or form.

Just do not like official documents being incorrect.

51710 Koala Ln - right on Georgine Lake. Georgine's homestead cabin to be specific.
