<b>How long have you lived in the area served by this Advisory Planning Commission?</b>	<b>What knowledge, experience, or expertise will you bring to this board?</b>
33 years	I was raised in Anchor Point by a hardworking single mother. I graduated Homer High School and then explored several other states. I attended MMI in Arizona. After seeing other places I decided Anchor Point was a great place to raise a family. My husband helps manage a local construction company. We have 4 children and one attends Chapman School, where I volunteer regularly. I know Anchor Point has a lot of potential and feel I could bring a valuable opinion to the table.
